Flash Flood

Localized torrential rainfall caused significant urban flooding in Fitchburg and Leominster. The official storm total at Fitchburg Airport was 4.03 inches, most of which fell in a three hour period. Over one foot of water flooded Route 2 near the intersection with Route 12. In neighboring Leominster, flooding was reported on Route 2A, and much of the downtown area was flooded by two feet of water, according to local law enforcement officials. No estimate of damage was available.
